

# PRIVACY NOTICE OF

## Eye Image Optometrists

Privacy of our patient's health information is an important principle to Eye Image Optometrists. We are committed and accountable to collect, use, disclose and protect a patient's health information in a confidential, secure and appropriate manner.

Our clinic collects, protects, uses, discloses, allows access, corrects, amends and disposes of health information in accordance with the *Health Information Act* (HIA).

The health information that we are collecting is needed to:

- Provide you with diagnostic, treatment and care services
- Provide for other authorized purposes(s) under Section 27 of the *Health Information Act*.

It is collected under the authority of section 20(b) of the *Health Information Act*, as it is directly related to and necessary to carry out an authorized purpose under Section 27.

The confidentiality of this health information and your privacy are protected by the provisions of the *Health Information Act*.
